We are pleased to share that a partnership with MedShare (www.medshare.org) is being finalized to be our equipment supplier for the REVOLUTION Project! After our original supplier announced they would be closing their doors, we are thankful to have found another experienced and reputable organization to help outfit the facility at a fraction of the equipment value.

(continue reading on page 2)
A lot of research and planning has been put into this new relationship over the past several months. This past spring, several members of the SRI board along with Executive Director, Joe Zimmerman, met with MedShare representatives at the MedShare headquarters in Decatur, Georgia. After an impressive initial meeting, a pre-assessment trip was scheduled and took place just a few weeks ago in July. During this trip, MedShare’s Director of Biomedical Equipment Training and Repair Service, Eben Armstrong, was able to spend time touring the project and having multiple meetings with many of SRI’s and ACPSI’s key leaders and managers. Eben had very positive feedback as well as some suggestions regarding the project. Overall we are grateful for his wealth of knowledge to share from his many experiences working with MedShare in 58 different countries around the world.

REVOLUTION TOUR

You're invited to the 2019 REVOLUTION Update Tour! Come and hear the latest REVOLUTION updates from Financial Manager, Frank Beltre, and SRI Executive Director, Joe Zimmerman. The purpose of this tour is to thank you for your support, share the latest on the project, answer questions, and unite with other SRI supporters! For specific locations and other information, please visit: www.solidrockinternational.org/revolution/tour or call the office at 419-956-4077.

TBD
RICE & BEANS RESULTS

Thank you to all who participated and donated to our 2019 Rice & Beans Challenge benefiting the Child Nutrition Program! As of September 30, 2019, you helped us raise $8,283.50! This provides powdered milk to 34 children enrolled in the CNP. Because of your generosity, many lives are being changed and we are thankful for it!

GIVING TUESDAY

Join the world-wide movement on Tuesday, December 3rd after your Black Friday and Cyber Monday spending by giving back to those in need with a spirit of thankfulness! You can donate on our website, Facebook page, or by sending a check to PO Box 20867 Indianapolis, IN 46220.

CNP VICTORY

Meet Isaias Montero. He is the son of a single teenage mother named Edualina and was abandoned by his father. They live in very poor conditions in a barrio called Cruz de Criente. When they entered the Child Nutrition Program in May of 2018, Isaias was two months old and weighed only five pounds, putting him at a severe level of malnourishment. However, after one year and three months of being in the program (July 2018), Isaias reached 22 pounds, a normal weight for his age! Since July, he has maintained his normal and healthy weight. Praise God!
GOODBYE NEFTHALI

We cannot thank Nefthali enough for his nine years of service with SRI. After many years assisting teams in ministry as an interpreter, Nef most recently took on the responsibility of Surgical Coordinator for our medical teams. Please join us in thanking and praying for him as he will be dearly missed by all!

THANK YOU MILLERS

Please join us in thanking Jon and Alissa Miller for their time of service with us as Guesthouse Hosts. We will be forever grateful for their excellent care of SRI mission teams and dedication to serving in San Juan de la Maguana. The Millers will be greatly missed and we wish them the very best with their future adventures!

WELCOME TYLER

Please help us welcome Tyler Cox as our new Guesthouse Host! Tyler has served with SRI in many capacities over the past 10 years and we are very excited to have him officially come on board with our missionary staff in San Juan de la Maguana. Please join us in praying for him as he transitions into this new role.
